

SUPPLY PROCUREMENT | EQUIPMENT SOURCING | OKLAHOMA ONSITE SUPPORT

COMPANY OVERVIEW

Nijan LLC is an Oklahoma-based small business established in 2023. We support government and commercial customers with specification-driven sourcing of supplies, equipment and materials, plus responsive onsite support services throughout Oklahoma. Our model emphasizes clear communication, practical sourcing and dependable coordination from quote through delivery or service completion.

CORE CAPABILITIES

- **Supply & Equipment Procurement:** commercial products, tools, equipment, parts, materials, office and facility supplies.
- **Grounds & Property Support:** mowing, landscaping support, seasonal cleanup, debris removal and exterior upkeep.
- **Cleaning & Facility Support:** routine cleaning, basic facility upkeep, supply replenishment and coordinated site support.
- **Basic IT & Equipment Support:** workstation/peripheral setup, equipment deployment, basic troubleshooting and hardware replacement.

SOURCING & FULFILLMENT

- Retailer, distributor, wholesaler and manufacturer sourcing
- Specification and solicitation review before commitment
- Product/equipment comparison against stated requirements
- Delivery and project coordination
- Nationwide product procurement; Oklahoma onsite service coverage
- Responsive support for micro-purchases and small procurements

TARGET CUSTOMERS

- Federal agencies
- State and local governments
- Public schools, colleges and universities
- Public authorities and other government entities
- Commercial organizations

DIFFERENTIATORS

- **Flexible sourcing:** not limited to a single product line or manufacturer.
- **Requirement-focused:** technical, delivery and administrative requirements reviewed before commitment.
- **Small-purchase responsive:** structured for straightforward supply and support requirements.
- **Local + nationwide:** Oklahoma onsite capability with nationwide supply sourcing.
- **Clear communication:** practical coordination from quote through fulfillment.
